UNIFIED2 GLOBAL PACKAGING GROUP LLC ACQUIRES LELANITE CORPORATION, MASSACHUSETTS BASED PROTECTIVE PACKAGING CORPORATION

May 3, 2022 – Unified2 Global Packaging Group today announced that it has acquired Lelanite Corporation based out of Webster, MA. Lelanite is in the business of manufacturing, warehousing and distributing protective packaging. Lelanite has been in the protective packaging business for over 60 years and has earned a reputation as a high-quality manufacturer with a focus on customer service. Unified2 Global Packaging Group, LLC is excited to continue the success of Lelanite and provide its customers with a wide portfolio of products and value-added services that can be supported globally.

Unified2 Global Packaging Group, LLC issued the following statement “Lelanite’s long standing history of providing high quality packaging solutions coupled with excellent customer service makes it a perfect fit with the Unified2 Global Packaging Group, LLC service model. The acquisition of Lelanite expands Unified2’s footprint and we will continue to offer incremental capabilities to provide even more value to the Lelanite customers in the future.”

About Unified2 Global Packaging Group, LLC

Unified2 Global Packaging Group, LLC, is an established joint venture of AGlobal Solutions and Rand-Whitney Packaging LLC.
